

Financial Aid Application INSTRUCTIONS

2018-2019 School Year

Frequently Asked Questions

Are there any income limits when applying for aid?

There are no income limits when applying for assistance. Each family's unique financial situation is considered when assessing need.

Who decides how much financial aid a family receives?

It is the responsibility of each school to decide how to best meet the needs of its students and families.

When will I be notified if my student has been awarded assistance?

You will be notified by the school or financial aid program to which you applied. You will not receive results from FAIR.

Why am I mailing my application to FAIR?

Your school has contracted with FAIR to process the financial aid applications and provide an objective evaluation of each family's financial need. FAIR is a nationally recognized leader in financial need evaluation services for private and parochial schools.

Is my personal financial information shared with any organizations other than FAIR?

All information is held strictly confidential. FAIR will not share or disseminate this information in any way with any other organization except for your student's school.

How do I apply?

You will need the following to apply online:

1. Your School Code and School Password (provided by your school administrator)
2. A valid email address
3. A credit card (Visa or Mastercard) to complete payment processing
4. A copy of your 2017 US Individual Income Tax Return Form 1040, 1040A or 1040-EZ with all applicable schedules including copies of all 2017 W-2 forms.

To begin the on-line application process, parents should go to www.fairapp.com and click on the "Parent Login" link. You can then create a user account using your email address and a password that you select. Once you have created a user account and signed in you will be able to complete the FAIR application on-line.

How will I know if FAIR has received my application?

You will receive a confirmation page and a separate email confirming FAIR has received your application.

How can I check the status of my application?

You can check the status of your application online at www.fairapp.com. After logging in to your account, you should see your application(s) with a Status of "Submitted". To the right of the Status, you will see a link that says "Current Application Status". Click on that link to see your current status.

How do I submit my supporting documentation?

You can upload, fax or mail us your documentation.

Once you submit your online application, you will receive a confirmation email from us with information on how to get your documents to us.

You will be notified by email once we receive your supporting documentation.

How do I fill out the application if I am a divorced, separated or single parent?

If the dependents you list in Part II of the application will live primarily with you, then you should complete the application form based on your income and household expenses. If you have remarried you will need to complete the application and include information about the stepparent's income, expenses, assets, and debt.

Who should I list in Part II Dependents?

You should include all dependents currently living with you or for whom you are providing support. This includes older children attending college or any other relatives who are currently living with you to whom you are providing support.

I do not have my 2017 Federal Income Tax return available because I have filed for an extension. Will my application still be accepted?

FAIR asks that each family applying for assistance provide their 2017 Federal Income Tax return unless you have filed for an extension. If you have filed for an extension we will need you to provide us with a copy of the extension request, a copy of your 2016 Federal Income Tax return, and copies of your 2017 W-2s.
